Grace Community School's biblical role is to work in conjunction with the home to mold students to become Christ-like. Our faculty must model godly character. At times, employee conduct may be contradictory to the biblical lifestyle and teachings reinforced by the school. This conduct may include, but is not limited to, sexual immorality, adultery, homosexual orientation, sexual or racial harassment, use of illegal drugs and alcohol abuse, or inability to support the moral principles of the school. I understand and accept that, should I be hired by Grace Community, such conduct is grounds for immediate termination of employment from Grace.

I understand that employment at Grace Community School involves working with children, and I understand that employment may be conditioned upon a criminal history check.
