Stanley Pieterse Safaris accepts only ONE donated trip per safari and WILL NOT allow multiple packages to be used back to back. This policy extends to donated trips from other African outfitters as we view the combining of donated trips as an abuse of the goodwill through which they were originally donated. Ownership of donated packages CAN NOT be transferred or resold. NO CREDIT will be given on animals not harvested, days or trophy fees not used that were included in the donation and/or package. Donated packages are valid for 2 years.
